

ANNUAL REPORT
OF THE
DEPARTMENT OF
MUNICIPAL AFFAIRS
OF THE
PROVINCE OF ALBERTA
FOR THE YEAR
1952

PUBLISHED BY ORDER OF THE LEGISLATIVE ASSEMBLY

EDMONTON
PRINTED BY A. SHNITKA, QUEEN'S PRINTER
1 9 5 3

EDMONTON, Alberta,
Nov. 30, 1953.

TO HIS HONOUR,
J. J. BOWLEN,
Lieutenant Governor of the Province of Alberta.

SIR:

I have the honour to transmit herewith the Report of the Department
of Municipal Affairs for the year 1952.

I have the honour to be, Sir,

C. E. GERHART,
Minister of Municipal Affairs.

HONOURABLE C. E. GERHART,
Minister of Municipal Affairs,
Edmonton, Alberta.

SIR :

I have the honour to submit herewith the forty-first Annual Report of the Department of Municipal Affairs for the year 1952.

LEGISLATION

During the year 1953 the following Acts or Amending Acts were placed upon the Statutes of the Province, all of which have some bearing on the work of Municipalities or the Department.

The Assessment Act, Amendment Act.
The Bureau of Public Welfare Act, Amendment Act.
The City Act, Amendment Act.
The Communal Property Act, Amendment Act.
The Controverted Municipal Elections Act, Amendment Act.
The County Act, Amendment Act.
The Department of Municipal Affairs Act, Amendment Act.
The Early Closing Act, Amendment Act.
The Electric Power Taxation Act, Amendment Act.
The Grazing Lease Taxation Act, Amendment Act.
The Health Unit Act, Amendment Act.
The Home for Aged or Infirm Act, Amendment Act.
The Hospitals Act, Amendment Act.
The Improvement Districts Act, 1947, Amendment Act.
The Improvement Districts Stray Animals Act.
The Irrigation Districts Act, Amendment Act.
The Mobile Construction Equipment Licensing Act.
The Alberta Municipal Assessment Commission Act, Amendment Act.
The Municipal Assistance Act, 1953.
The Municipal Capital Expenditure Loans Act.
The Municipal Districts Act, Amendment Act.
The Municipal Hospitals Act, Amendment Act.
The School Act, 1952, Amendment Act.
The Seismographic Recording and Drilling Equipment Licensing Act.
The Self-Liquidating Projects Act, Amendment Act.
The Special Areas Act, Amendment Act.
The Town and Rural Planning Act, 1953.
The Town and Village Act, 1952, Amendment Act.

STATISTICAL INFORMATION

The statistical information contained in this report is compiled from financial statements furnished by the various Cities, Towns, Villages, Counties and Municipal Districts. Information regarding Improvement Districts is taken from Departmental records and for Special Areas from the records of the Special Areas Board. All information is for the calendar year ending December 31st, 1952.

Exact comparison of statistics in this report with years prior to 1951 is not possible in all respects due to a revision of some of the items contained under the various headings as recommended at the last Dominion-Provincial Conference on Municipal Statistics. The changes are mainly in the general sections of the Revenue and Expenditure Accounts.

VI

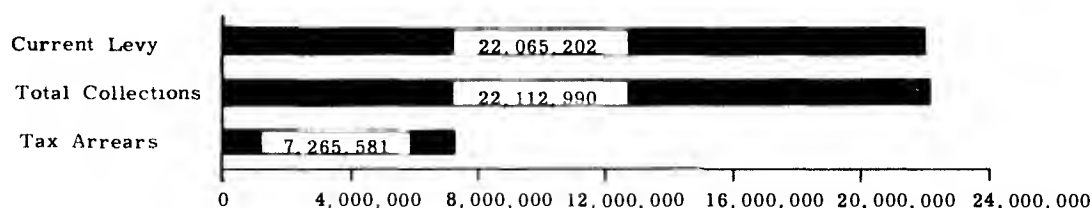

DEPARTMENT OF MUNICIPAL AFFAIRS

CITIES (7)

There has been no change in the number of Cities and the upward trend in population continues with an increase of 9,584 from 341,957 in 1951 to 351,541 in 1952.

Assessment—The rapid growth of the Cities is reflected in the assessment which shows an increase for the twelfth consecutive year. The total 1952 assessment is \$355,840,989 which is \$72,717,790 greater than the 1951 assessment of \$283,123,199.

Taxation—The 1952 current levy of \$22,065,202 is \$3,697,020 greater than the 1951 levy of \$18,368,182. Tax collections excluding discounts have increased from \$18,117,234 in 1951 to \$22,112,990 in 1952. Total tax collections are 100.2% of the current levy as compared to 98.6% in 1951.

General Revenue and Expenditure—Both revenue and expenditure are approximately \$6,000,000.00 greater than in 1951. Most of the revenue increase is accounted for by increased tax revenue of \$4,022,178, and \$1,022,386 more for grants. Nearly all items of expenditure show increases over the previous year with the largest increase being \$1,387,639 for education. Total revenue of \$33,206,285 and total expenditure of \$33,379,190 resulted in a net deficit of \$172,905.

Debenture Debt—The gross debenture debt as at December 31st of \$72,222,077 is \$9,181,715 greater than the \$63,040,362 reported for 1951. This increase includes loans at 2% interest under the terms of The Self Liquidating Projects Act amounting to \$3,115,500 as well as an additional \$9,100,000 at 3½% loaned by the Provincial Government to help meet unprecedented capital expenditure requirements. This is the sixth consecutive year that an increase has been reported over the previous year.

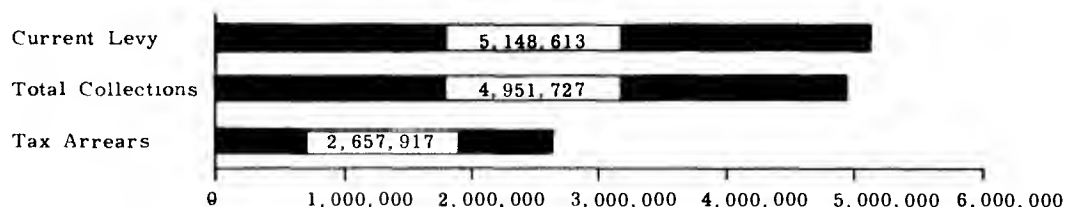

TOWNS (72)

This report covers 71 Towns as the Town of Lloydminster reports directly to the Province of Saskatchewan.

During the year the status of the Villages of Coaldale, Forest Lawn, Provost, and Viking was changed to that of Towns.

Assessment—The total assessment of \$104,999,888 compared to the 1951 figure of \$92,282,110 shows an increase of \$12,717,778. This is a substantial increase considering the fact that only \$3,098,339 of this increase is accounted for by the four new Towns.

Taxation—The 1952 current tax levy of \$5,148,613 is an increase of \$742,009 over the 1951 figure of \$4,406,604. Tax collections have increased by \$851,234 from \$4,100,493 in 1951 to \$4,951,727 in 1952. Tax collections are 96.17% of the current levy as compared to 93.05% in 1951. This is the highest percentage of collections reported since the year 1946 when collections equalled 96.79% of the levy.

General Revenue and Expenditure—All items of revenue and expenditure show increases over the previous year. Increases of \$742,009 for taxes and \$244,930 for Contributions, Grants and Subsidies account for most of the revenue increase of \$1,202,149 from \$5,841,399 in 1951 to \$7,043,548 in 1952. A general increase in all expenditure items shows an overall increase of \$1,300,064 from the 1951 total of \$5,533,815 to \$6,833,879 in 1952. A net 1952 operational surplus of \$209,669 was shown which is the fourth consecutive year in which a surplus has been recorded.

Revenue Fund Assets and Liabilities—Net Bank Balances and Investments as at December 31st, 1952 equal \$1,384,776 as compared to Bank Overdrafts and Temporary Loans of \$286,020. Accounts Payable have increased \$108,438 from \$116,757 in 1951 to \$225,195 in 1952. Total 1952 assets are recorded in the amount of \$5,342,232 as compared to total liabilities of \$2,991,685 which result in a net to date surplus of \$2,350,547

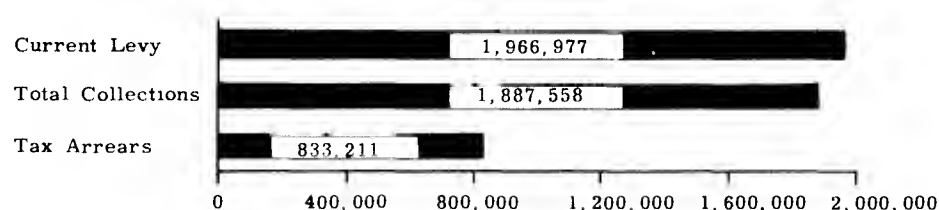

Loans and Debentures—Unpaid temporary loans equal \$257,030. This is \$71,884 more than the 1951 figure of \$185,146 and is a considerable increase over the two thousand dollar decrease reported for the year 1951. The sale of debentures by 24 Towns increased the outstanding debenture debt from \$7,893,396 in 1951 to \$9,458,695 in 1952. Loans of \$1,580,920 at 2% interest were received under the terms of The Self Liquidating Projects Act. Nearly six million dollars of the outstanding debenture debt has been issued for sewer and water systems.

VILLAGES (137)

Six new Villages, Caroline, Girouxville, Hines Creek, Manning, Rosemary, and Warspite were incorporated during the year which with the change in status of the Villages of Coal Dale, Forest Lawn, Provost and Viking to that of Towns resulted in an overall increase of two Villages.

Assessment—Total assessments increased \$1,606,731 from \$43,113,051 in 1951 to \$44,719,782 in 1952. Most of this increase is accounted for by a \$1,326,052 increase in Buildings and Improvements assessment.

Taxation—The current tax levy increased \$92,786 from \$1,874,191 in 1951 to \$1,966,977 in 1952. Total tax collections of \$1,887,558 were \$128,365 more than the 1951 collections of \$1,759,193. Collections equalled 95.96% of the current levy as compared to 93.86% in 1951. As in Towns, this upward trend in the percentage of collections is the highest since the 96.3% reported in 1946.

General Revenue and Expenditure—Nearly all items of both revenue and expenditure show general increases over last year. A total revenue of \$2,461,653 compared to a total expenditure of \$2,335,141 resulted in a net surplus for the year of \$126,512.

VIII

DEPARTMENT OF MUNICIPAL AFFAIRS

Revenue Fund Assets and Liabilities—Total Bank balances and investments at the end of the year were \$939,999. Bank overdrafts and temporary loans equalled \$52,813 which added to outstanding accounts payable of \$75,858 resulted in a net cash balance of \$811,328 which is about \$100,000 more than the 1951 figure. Total assets of \$1,914,452 compared to total liabilities of \$769,387 resulted in an overall surplus of \$1,145,065.

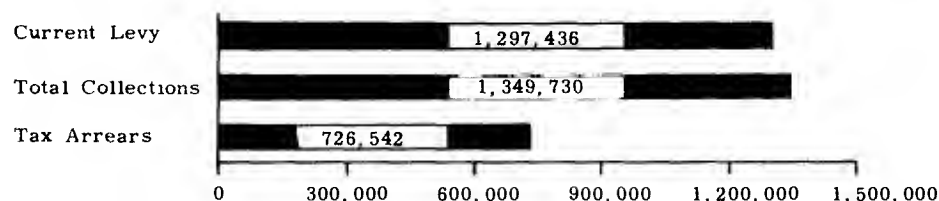

Loans and Debentures—Temporary loans of \$49,997 were \$6,700 more than the 1951 figure of \$43,297. Thirteen villages issued debentures in the amount of \$953,600 of which 776,850 is accounted for by loans at 2% interest received under the terms of The Self Liquidating Projects Act. The net total outstanding debenture debt has increased from \$1,539,610 in 1951 to \$2,070,137 in 1952. \$1,216,640 of this outstanding debt has been contracted for the installation of water and sewer systems.

COUNTIES (3)

The County of Ponoka, No. 3, consisting of the former Municipal District of Ponoka, No. 66 and parts of Improvement Districts No. 65, 68 and 76 was formed on January 1st, 1952.

This is the third County formed under the terms of The County Act, 1950, which provides an alternative form of rural self-government that is voluntary and to be retained must after four years from the date of formation receive by vote the taxpayers' approval.

At this time it is not feasible to make statistical comparisons as this is only the second year that this information has been included in this Report and would mean comparing the 1951 figures for two Counties to the 1952 figures for three.

Revenue Fund Assets and Liabilities—Net bank balances of \$124,339 plus investments of \$158,000 less overdrafts and temporary loans of \$182,157 and outstanding accounts payable of \$72,421 leave a net cash balance of \$27,761. Total assets of \$1,344,876 less total liabilities of \$562,356 leave a net to-date surplus of \$782,580.

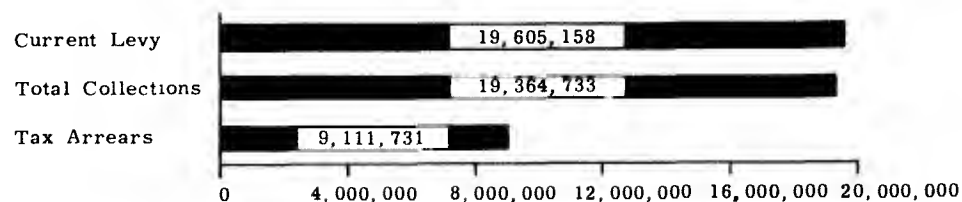

Debentures—Municipal Districts have no debenture debt. Counties, however upon formation become responsible for both municipal and school affairs. The Counties have a debt of \$823,585 for outstanding school debentures.

MUNICIPAL DISTRICTS (54)

Effective January 1st, 1952, Improvement District, No. 130 and parts of Improvement Districts Nos. 125 and 131 were formed into The Municipal District of Fillion, No. 130. On request, the name was officially changed on March 13th to The Municipal District of Smoky River, No. 130. With The Municipal District of Ponoka, No. 66 becoming a County, the formation of this new Municipal District leaves the total number at 54 which is the same as last year. There are 45 enlarged districts and 9 which have not been enlarged.

Assessment—Buildings and improvements and personal property assessments show substantial increases over the previous year. Land assessments are down which is accounted for by the transfer of over 6½ million dollars to the Counties. The total assessment of \$385,051,342 is \$12,950,069 greater than the 1951 total of \$372,101,273.

Taxation—The 1952 tax collections of \$19,364,733 are 98.77% of the current levy of \$19,605,158 as compared to last year's 92.09%. This is the best record of collections since the 99.7% reported in 1946.

General Revenue and Expenditure—A total 1952 revenue of \$25,933,009 is \$2,785,886 greater than the 1951 revenue of \$23,147,123. This is mainly due to increased taxes and nearly one half million dollars increase in Municipal Assistance Act grants. On the expenditure side most items show substantial increases with Public Works and Education increasing over last year \$1,497,275 and \$1,076,570 respectively. Total 1952 expenditures of \$25,079,362 resulted in a net surplus for the year of \$853,647.

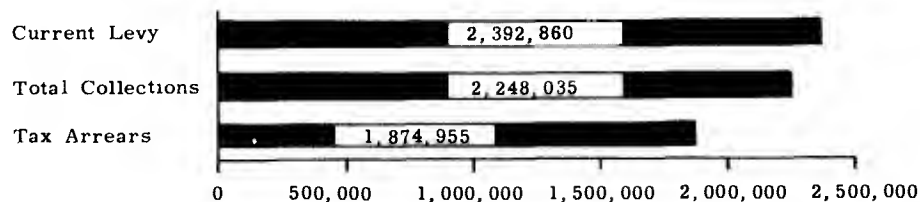

Revenue Fund Assets and Liabilities—Total 1952 assets of \$16,280,246 less total liabilities of only \$4,262,677 leave a surplus of \$12,017,569. A net cash balance of \$3,163,549 is included in this surplus which is made up of net bank balances and investments of \$4,261,483 less bank overdrafts and temporary loans of \$668,527 and outstanding accounts payable of \$429,407.

IMPROVEMENT DISTRICTS (54)

With Improvement District, No. 130 being formed into a Municipal District, this report deals with 54 Districts as compared to 55 in 1951.

Assessment—With the transfer of nearly two and one half million dollars of assessment for Improvement District, No. 130 to the Municipal Districts there is only a small increase over last year, from \$61,145,790 in 1951 to \$61,439,773 in 1952.

Taxation—The 1952 current levy of \$2,392,860 is \$67,941 greater than the 1951 levy of \$2,324,919. Tax collections of \$2,248,035 are \$113,897 more than in 1951 and are 93.95% of the current levy as compared to 91.79% in 1952.

Receipts and Payments—Total 1952 receipts amounted to \$2,879,021 and are \$215,607 more than the 1951 receipts of \$2,663,414. Total payments of \$2,785,619 are \$326,476 more than the 1951 figure of \$2,459,143. School and Hospital requisitions are \$129,473 more than the previous year and \$122,505 cash was paid to Municipal Districts as part of the assets of certain areas annexed by the Municipal Districts.

X

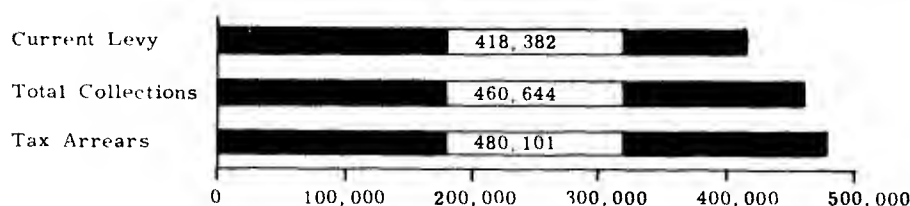

DEPARTMENT OF MUNICIPAL AFFAIRS

Assets and Liabilities—The Improvement Districts Trust Account balance as at December 31st, 1952 is \$1,797,804 which along with \$1,874,955 outstanding taxes and outstanding accounts receivable of \$277 equals total assets of \$3,673,036. Total liabilities of \$94,304 leave a net to date surplus of \$3,578,732.

SPECIAL AREAS (3)

Three Special Areas consisting of Municipal and Improvement Districts dissolved during the drought period of the 1930's and formed into Special Areas under The Special Areas Act are administered by a Special Areas Board with four offices in these districts. Since 1948 they have come under the administration of The Department of Municipal Affairs.

Total revenue for the year of \$1,338,830 is \$270,049 more than the 1951 revenue of \$1,068,781. \$258,790 of this increase is for an increase in grazing and cultivation rentals from \$427,625 in 1951 to \$686,415 in 1952. Total expenditures of \$1,199,034 are \$293,296 more than in 1951. \$261,507 of this increased expenditure was made for road maintenance with most of the balance accounted for by \$25,330 increased school requisitions.

REPORT OF THE SPECIAL AREAS BOARD

In general the year 1952 may be considered as above average in the Special Areas. Moisture conditions were good resulting in an abundance of feed and pasturage and a fair yield of grain. A large percentage of grain crops was carried over unthreshed from the previous year, but because of good dry weather in the spring of 1952 this carry-over was threshed early and the new seeding completed in good time. A considerable depth of snow over most of the area resulted in a very heavy runoff which caused damage to roads, bridges and culverts but left an abundance of water throughout the district and in general raised the water table to a satisfactory level. Precipitation was very good during the summer, but the abundance of moisture was not too well spaced or seasonal; however harvesting was completed and the yields were satisfactory. Hail storms took their usual toll, mostly in the Craigmyle, Scapa, Spondin, Chinook and Benton districts.

Due to the heavy grass coverage, prairie fire hazard was very serious but fortunately only one major fire occurred. This fire burnt over an area extending from Hemaruka to the Naco-Cereal road, a distance of approximately 15 miles. Damage to farm buildings, hay-stacks and grazing lands was extensive, but due to an abundance of moisture the future growth of the burnt over area was not materially affected.

The question of precipitation by artificial means through the use of silver iodide crystals was discussed at several meetings held throughout the Areas by farmers and certain interested parties. A considerable amount of information has been compiled but no action has been taken by the Special Areas Board to enter into such a scheme.

Livestock throughout the Areas came through the winter in good shape. Lower market prices appeared to have little effect on the average number of stock left on the farms, there being a small increase in the number of cattle, sheep and hogs over the previous year. Vaccination for Bangs disease is being carried out by most farmers as additional Veterinarian help has been available but T.B. testing throughout the district has not as yet been done. 4 H or Junior Club work is being carried on by the District Agriculturist; clubs being operated at Veteran, Consort and Altario; new clubs being formed at Sunnynook and Acadia Valley. Grain clubs were carried on at several points, field days and a number of agriculture meetings were also held throughout the area.

Most land suitable for grazing is now in long term leases except where it does not form a part of the resident's economic unit; in such cases a yearly permit has been issued.

There were over 300 cultivation leases renewed this year, most of which were expired 6 year leases. They now cover a period of 10 years. Cultivation Permits are decreasing each year and in their place 10 year leases are issued providing records and inspections show that the land is suitable for cultivation. If found unsatisfactory for cultivation purposes, a regrassing permit is issued and the land added to the permittees grazing lease which in most cases has met with the approval of the lease holder.

Community pastures which cover an area of approximately 250,000 acres carried over 6,000 cattle during the summer months and are of considerable benefit to the residents.

Regrassing of land previously broken is being continued, and lease holders were provided with about 100,000 lbs. of grass seed. One-half was provided free of charge and the other half was charged for at a rate to cover production costs. Most of the seed is harvested from seed plots under the control of the Board.

The grasshopper was again kept in check by natural conditions and it is thought that adequate supplies of bait material are on hand to combat any outbreak.

The services of an experienced irrigationist have been obtained. A steady, though small increase in irrigation has been experienced and although there has been an abundance of natural moisture it is expected that a considerable expansion in irrigation will take place in the next few years.

The activities of the P.F.R.A. in our Areas were confined mainly to the repair of existing structures which received considerable damage due to a heavy run-off. A considerable number of stock watering dams and dugouts were completed by this organization, but no major projects were undertaken.

The fight against the invasion of the brown Norway rat is being continued. The Department of Agriculture, under whose purview this matter rests has had extermination crews at work during the year.

The method of coyote control by the bounty system has been discontinued, but an intensified campaign against these predators is being carried on by means of cyanide guns and poison pellets.

With over 8,000 miles of roads, the construction and maintenance of roads, bridges and culverts is the greatest problem with which we have to deal. New construction consisted of 146 miles, gravelling 117 miles, elevated road heavy blade grade, 77 miles and lighter blade grade 76 miles. Six new piled bridges were constructed and many culverts installed.

Rural electrification has entered the Special Areas and lines have been put into operation in the Craigmyle, Scapa, Garden Plains and Veteran districts; also a line has been extended south to the Sheerness Coal Mines.

The Special Areas now have the services of four Municipal nurses appointed pursuant to The Nursing Service Act. These nurses are stationed at Lomond, Sunnynook, Youngstown and New Brigden and with cars, are able to carry on their immunization program of pre-school and school children throughout the Areas.

Operation of Pleasant View Home at Youngstown was satisfactory with an average of 58 guests and a complete staff of eight persons.

REPORT OF THE PROVINCIAL PLANNING ADVISORY BOARD

During the fiscal year ending March 31st, 1953, a notable increase in planning activity occurred throughout the Province, with a consequent increase in the amount of work performed by the Provincial Planning Advisory Board and the Town and Rural Planning Branch.

The Red Deer District Planning Commission was established, increasing to three the number of commissions now in operation. The Village of Cochrane joined the Calgary District Planning Commission, bringing to 23 the number of municipalities now participating in district planning work.

Four cities, eighteen towns, and eight rural municipalities are now preparing general plans, while eight urban municipalities were awaiting the completion of planning surveys and reports.

The staff of the Branch made a total of 32 visits to municipalities in connection with planning problems, not including regular attendance at district commission meetings. 63 inquiries for advice were dealt with by correspondence, and 10 complaints were investigated.

Three new zoning by-laws were passed, as well as twelve amending by-laws. Six interim development orders were issued, and seven interim development by-laws came into effect. One by-law adopting an official scheme came into force.

Complete planning studies for Stettler, Grande Prairie, Tofield, and Wainwright were undertaken, and reports published for Brooks and Stettler. Requests were received for studies to be made in Camrose, Rimbey, Bowden, Okotoks, Rocky Mountain House, Peace River, Vermilion, and Wetaskiwin.

Tentative plans of subdivision considered numbered 668, with final plans presented for approval numbering 466. Of these, 462 were approved and passed on for registration at the Land Titles Office, as compared with 340 in the previous year.

266 transfers by description were considered, of which 199 were approved, as compared with 200 considered and 111 approved in the previous year.

A total of 181 applications for development adjacent to highways were dealt with, of which 131 were permitted, as compared with 79 last year. By an amendment of the Public Highways Act and by enactment of the Town and Rural Planning Act, 1953, control of development adjacent to highway passes to the Highways Department on July 1st, 1953.

A total of 48 Orders were issued by the Board, 12 dealing with appeals made to the Board under the provisions of interim development by-laws of local authorities, and 36 directing the registration of plans of subdivision comprising more than 50 lots.

Respectfully submitted,

J. W. JUDGE,
Deputy Minister.
